FOR MOTHERS.

The period immediately following child-birth is fraught with many dangers. The strength has been used in the painful ordeal through which the mother has passed and she finds herself helpless and weakened. Many mothers, like Mrs. Ford, date the beginning of their illness from the birth of their child. Indeed the frequent spectacle of a healthy young woman becoming a chronic invalid after motherhood is one of the tragedies of life. All this is unnecessary, when Wine of Cardui is obtainable. It rehabilitates the shattered nervous system, strengthens the organs and ligaments, and re-establishes a healthy, natural condition, saving years of chronic sickness and suffering. Wine of Cardui taken just before confinement will render the ordeal comparatively painless. It will re-enforce and strengthen the organs for their work. For every trying crisis in a woman's life, Wine of Cardui is the medicine to take. Ask your druggist for Wine of Cardui and take no substitute. If one is offered send \$1.00 for a bottle to the Chattanooga Medicine Company, Chattanooga, Tenn.

WINE OF CARDUI

Clarkson, Ark., July 20, 1899.

After my baby was born I took the whites and falling of the womb, and was in a very dangerous condition. I read one of your home treatment books, and commenced to treat myself with Wine of Cardui and Black-Draught. I am thankful for what the medicine did for me, and I am now in better health than I have been for a long time.

Mrs. MARGARET FORD.

H. S. Harrison, of Wyoma, has been employed to look after the submarine paint companies' interests near the mouth of Salt Spring. He reports the flow of gum from the palm-tree trees boxed by S. HEAR HER!

A WOMAN'S STORY.

This is to certify that I have been afflicted with Scrofula or Blood Poison for a number of years. The best physicians of Mobile and this city said nothing could be done for me. I took large quantities of * * * but found no relief. My limbs were a mass of ulcers, and when I was sent to a physician in Mobile my entire body was a mass of sores. I had given up all hope, and as a last resort tried P. P. P., and after using four bottles (small size), the sores have entirely disappeared, and my general health was never better than at the present time, and people that know me think it a wonderful cure. ELIZA TODD, Milton, Fla.

What can be worse for a woman than an otherwise beautiful skin covered with sores and eruptions? Can you blame people for avoiding women thus afflicted? They are to be pitied; but what woman wants pity? Besides the humiliation of disfigurement, the itching and burning of skin diseases are almost unbearable.

All women ought to know that all facial and bodily blemishes are caused by impure blood, and are curable. P. P. P. will purify the blood, and when the blood becomes pure all skin diseases vanish.

P. P. P. is a harmless vegetable compound, and never fails to eradicate from the system all traces of Blood Poison, Scrofula, Rheumatism, Neuralgia, Dyspepsia and Catarrhal affections.

FROM ONE OF SAVANNAH'S PROMINENT MERCHANTS.

TO THE PUBLIC:

I herewith recommend to the sufferers of Rheumatism and rheumatic pains, Lippman's P. P. P., as I have carefully tested it and found permanent relief. Also my son, who, for years, has suffered from Rheumatism, has used it for the last year with good results, and has not suffered since, and is still using it. Would not do without it if it cost double, or at any price. Yours truly, CHAS. SKILLER.
